BROADCAST TITLE (50 char): Rural Retention Program Premium Adjustment 2024/25
BROADCAST MESSAGE (UP TO 5 PAGES, 12 LINES PER PAGE, 76 CHARACTERS PER LINE):

The Geographic Differential Payment (GDP) is an adjustment to Rural Retention Premium (RRP) amounts for applicable ophthalmology and psychiatry services performed in rural areas. Payments for GDP are made annually after the 90-day claims submission window has closed for the previous fiscal year ending March 31.

The RRP adjustment payable under GDP is based on a community's isolation points and is adjusted for the applicable ophthalmology fee codes by a factor of 1.273.

The GDP payment for dates of service falling within fiscal year 2024/25 has now been processed and will appear on this remittance under adjustment code GD.
