BROADCAST TITLE (50 char): LFP Payment Schedule Web Update July 1 2025

BROADCAST MESSAGE (UP TO 5 PAGES, 12 LINES PER PAGE, 76 CHARACTERS PER LINE):

An updated version of the Longitudinal Family Physician Payment Schedule, effective July 1, 2025, has been published online and can be accessed here:

<http://www.gov.bc.ca/msp/lfp>

This update includes:

- Removal of the FPSC fee codes section as the FPSC fee codes have been retired and replaced with a form submission process.
- Updates to reflect Hospital at Home Fee-for-Service fee items with retroactive changes to the list of fee items excluded from the LFP Payment Schedule to July 1, 2025. Physicians should check their HaH billings from July 1 onward to ensure they are in accordance with the schedule. Any LFP Inpatient code billed for a HaH service should be rectified by reversing the original claim using Submission Code 'E' and an electronic note "HaH service correction", followed by a rebilling under the appropriate Fee-for-Service fee item and the same note.
- An extension to the LFP Clinic-based Services Transition Code, fee item 98001, to March 31, 2026.
- Other minor revisions for clarity and consistency.

Any questions relating to claims inquiries and the payment schedule can be directed to HIBC:
