**BROADCAST TITLE (50 char):** No Concurrent Billing of Vaginectomy and LeFort's  
**BROADCAST MESSAGE (UP TO 5 PAGES, 12 LINES PER PAGE, 76 CHARACTERS PER LINE):**

As a reminder, fee items 04411 (Vaginectomy) and 04427 (Le Fort's Operation) are both applicable to colpocleisis, but they are not intended to be billed concurrently. Fee item 04411 applies in cases of prior or concurrent hysterectomy, while fee item 04427 applies when the uterus remains in situ.

Where both fee items are submitted together, payment will be made as fee item 04427 only, as fee item 04411 applies in cases of prior or concurrent hysterectomy, while fee item 04427 applies when the uterus remains in situ. In circumstances where a physician considers it clinically appropriate to bill both fee items, a supporting note record must be submitted setting out the rationale for independent consideration.
